Hello, Neighbor!

The Bellaire Men's Lacrosse Team is seeking donations for the 2023-2024 lacrosse season and we need your help. Coming off of a winning season where we competed at the state championships and made it to the final four, our team is preparing for a repeat with tough competition again this year. And to do that, we need support from families, friends and the community: YOU!

As a club sport at Bellaire High School, our team doesn't receive any funding or financial assistance from the school or from Houston Independent School District. The funds to support our team come from our player dues, from parent donations and through fundraising efforts and neighbors like you. These funds pay for fields where we practice, as well as the fields where we play some of our games as the Bellaire High School fields give priority to teams that are not clubs. The funds we raise also pay for umpires, transportation, coaching support, equipment and numerous other expenses.

Top 5 facts for why we need your support for the Bellaire Men's Lacrosse Team:

- As a club sport, we receive no money from our school or our school district so we must raise \$40,000 annual for expenses for fields and equipment.
- Our teammates give back to the community by teaching younger boys all about lacrosse and sportsmanship at local public middle school lacrosse clinics.
- We provide peer tutoring to ensure our students are the best they can be. We focus on being students first and lacrosse players second.
- We welcome players from HISD Magnet schools where there aren't lacrosse programs to join our team.
- Our head coach, who was named coach of our division last year, takes no money and instead coaches us for the love of the game, for growing the sport and because he knows what it means to the boys he mentors. Several of our teammates have gone on to play lacrosse in college and they return for a yearly alumni game. This team is that special.

If you or your company would be willing to make a donation to support our team, we would greatly appreciate your kindness and support. Thank you in advance for considering helping the Bellaire Men's Lacrosse Team!

Kind regards,
The Bellaire Men's Lacrosse Team
and the Bellaire Men's Lacrosse Board

Please reach out to Patricia Hessel with questions or to collect donations. Thank you!
